Additional national forests created or to be created under section eleven of the Act of March first, nineteen hundred and eleven (Thirty-sixth Statutes, page nine hundred and sixty-three), and lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted for the purposes of said Act, \$77,590;

For the selection, classification, and segregation of lands within the boundaries of national forests that may be opened to homestead settlement and entry under the homestead laws applicable to the national forests, \$100,000;

For the survey and platting of certain lands, chiefly valuable for agriculture, now listed or to be listed within the national forests, under the Act of June eleventh, nineteen hundred and six (Thirty-fourth Statutes, page two hundred and thirty-three), and the Act of March third, eighteen hundred and ninety-nine (Thirtieth Statutes, page one thousand and ninety-five), as provided by the Act of March fourth, nineteen hundred and thirteen, \$85,000: *Provided*, That any unexpended balance of an appropriation of \$35,000 to be expended "under the direction of the Secretary of Agriculture for survey and listing of lands within the forest reserves chiefly valuable for agriculture and describing the same by metes and bounds or otherwise," and so forth, provided by the Act of March fourth, nineteen hundred and thirteen, entitled "An Act making appropriations for the Department of Agriculture for the fiscal year ending June thirtieth, nineteen hundred and fourteen," be, and the same is hereby, continued and made available for and during the fiscal year ending June thirtieth, nineteen hundred and fifteen, for the purpose of this appropriation;

For fighting and preventing forest fires and for other unforeseen emergencies, \$150,000;

For the purchase and maintenance of necessary field, office, and laboratory supplies, instruments, and equipments, \$160,000;

For investigations of methods for wood distillation and for the preservative treatment of timber, for timber testing and the testing of such woods as may require test to ascertain if they be suitable for making paper, and for other investigations and experiments to promote economy in the use of forest products, \$140,000;

For experiments and investigations of range conditions within national forests, and of methods for improving the range by reseeding, regulation of grazing, and other means, \$25,000;

For the purchase of tree seed, cones, and nursery stock, for seeding and tree planting within national forests, and for experiments and investigations necessary for such seeding and tree planting, \$165,640:

Provided, That hereafter the Secretary of Agriculture may procure such seed, cones, and nursery stock by open purchase, without advertisements for proposals, whenever in his discretion such method is most economical and in the public interest and when the cost thereof will not exceed \$500;

For silvicultural, dendrological, and other experiments and investigations independently or in cooperation with other branches of the Federal Government, with States and with individuals, to determine the best methods for the conservative management of forests and forest lands, \$83,728;

For other miscellaneous forest investigations, and for collating, digesting, recording, illustrating, and distributing the results of the experiments and investigations herein provided for, \$40,160;

For the construction and maintenance of roads, trails, bridges, fire lanes, telephone lines, cabins, fences, and other improvements necessary for the proper and economical administration, protection, and development of the national forests, \$400,000: *Provided*, That no part of the money herein appropriated shall be used to pay the transportation or traveling expenses of any forest officer or agent except he be traveling on business directly connected with the Forest Service and in furtherance of the works, aims, and objects specified and authorized in and by this appropriation: *And provided also*, That no part of this appropriation shall be paid or used for the purpose of paying for, in whole or in part, the preparation or publication of any newspaper or magazine article, but this shall not prevent the giving out to all persons without discrimination, including newspaper and magazine writers and publishers, of any facts or official information of value to the public;

In all, for general expenses, \$3,243,096.

Not to exceed fifteen per centum of the total of all sums appropriated under "General expenses, Forest Service," may be used in the discretion of the Secretary of Agriculture as provided above under general expenses for Forest Service for all expenses necessary for the general administration of the Forest Service.

That hereafter all moneys received as contributions toward cooperative work in forest investigations, or the protection and improvement of the national forests, shall be covered into the Treasury and shall constitute a special fund, which is hereby appropriated and made available until expended, as the Secretary of Agriculture may direct, for the payment of the expenses of said investigations, protection, or improvements by the Forest Service, and for refunds to the contributors of amounts heretofore or hereafter paid in by them in excess of their share of the cost of said investigations, protection, or improvements: *Provided*, That annual report shall be made to Congress of all such moneys so received as contributions for such cooperative work.

Total for Forest Service, \$5,548,256.

Total, Department of Agriculture, for routine and ordinary work, \$19,098,832.

MISCELLANEOUS.

ENFORCEMENT OF THE INSECTICIDE ACT: To enable the Secretary of Agriculture to carry into effect the provisions of the Act of April twenty-sixth, nineteen hundred and ten, entitled "An Act for preventing the manufacture, sale, or transportation of adulterated or misbranded Paris greens, lead arsenates, and other insecticides, and also fungicides, and for regulating traffic therein, and for other purposes," in the city of Washington and elsewhere, including chemical apparatus, chemicals, and supplies, repairs to apparatus, gas, electric current, official traveling expenses, telegraph and telephone service, express and freight charges, and all other expenses, employing such assistants, clerks, and other persons as may be considered necessary for the purposes named, \$95,000.

FIGHTING AND PREVENTING FOREST FIRES IN EMERGENCY: For fighting and preventing forest fires in cases of extraordinary emergency, \$100,000, or so much thereof as may be necessary.

ENFORCEMENT OF THE PLANT QUARANTINE ACT: To enable the Secretary of Agriculture to carry into effect the provisions of the Act of August twentieth, nineteen hundred and twelve, as amended March fourth, nineteen hundred and thirteen, entitled "An Act to regulate the importation of nursery stock and other plants and plant products; to enable the Secretary of Agriculture to establish and maintain quarantine districts for plant diseases and insect pests; to permit and regulate the movement of fruits, plants, and vegetables therefrom, and for other purposes," in the city of Washington and elsewhere, including official traveling expenses, telegraph and telephone service, express and freight charges, and all other expenses, employing such assistants, clerks, and other persons as may be considered necessary for the purposes named, \$50,000.

To enable the Secretary of Agriculture to cooperate with those States in the inspection of Irish potatoes where a quarantine has been or hereafter shall be established by the Secretary of Agriculture,

prohibiting the movement of such potatoes from any State into any other State, District, or Territory of the United States except under such rules and regulations as he may prescribe, and for the enforcement of such rules and regulations, and for the employment of persons and means necessary in the city of Washington and elsewhere, there is hereby appropriated the sum of \$50,000.

OFFICE OF MARKETS: To enable the Secretary of Agriculture to acquire and to diffuse among the people of the United States useful information on subjects connected with the marketing and distribution of farm products, and for the employment of persons and means necessary in the city of Washington and elsewhere, there is hereby appropriated the sum of \$200,000.

DEMONSTRATIONS ON RECLAMATION PROJECTS: To enable the Secretary of Agriculture to encourage and aid in the agricultural development of the Government reclamation projects; to assist, through demonstrations, advice, and in other ways, settlers on the projects; and for the employment of persons and means necessary, in the city of Washington and elsewhere, \$40,000.

To enable the Secretary of Agriculture to cooperate with and make an exhibit at the next annual meeting of the International Dry Farming Congress, to be held at Wichita, Kansas, during the fiscal year ending June thirtieth, nineteen hundred and fifteen, illustrative of the investigations, products, and processes relating to farming in the subhumid region of the United States, including labor and all expenses in the city of Washington and elsewhere, \$20,000.

COOPERATIVE FIRE PROTECTION OF FORESTED WATERSHEDS OF NAVIGABLE STREAMS: For cooperation with any State or group of States in the protection from fire of the forested watersheds of navigable streams, under the provisions of section two of the Act of March first, nineteen hundred and eleven, entitled "An Act to enable any State to cooperate with any other State or States, or with the United States, for the protection of the watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," \$100,000.

That section thirteen of the Act entitled "An Act to enable any State to cooperate with any other State or States, or with the United States, for the protection of the watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," approved March first, nineteen hundred and eleven (Thirty-sixth Statutes at Large, page nine hundred and sixty-three), is hereby amended by striking out the word "five" in the first line of said section, and inserting in lieu thereof the word "twenty-five."

EXPERIMENTS AND DEMONSTRATIONS IN LIVE-STOCK PRODUCTION IN THE CANE-SUGAR AND COTTON DISTRICTS OF THE UNITED STATES: To enable the Secretary of Agriculture, in cooperation with the authorities of the States concerned, or with individuals, to make such investigations and demonstrations as may be necessary in connection with the development of live-stock production in the cane-sugar and cotton districts of the United States, \$60,000: *Provided*, That no part of this appropriation shall be used in the purchase of animals for breeding purposes.

That hereafter the maximum salary of any scientific investigator, or other employee engaged in scientific work and paid from the gen-

eral appropriations of the Department of Agriculture, shall not exceed at the rate of \$4,500 per annum.

The Secretary of Agriculture is hereby authorized and directed to prepare a plan for reorganizing, redirecting, and systematizing the work of the Department of Agriculture as the interests of economical and efficient administration may require; such plan shall be submitted to Congress in the Book of Estimates for the fiscal year nineteen hundred and sixteen; and the estimates of expenses of the Department of Agriculture for the fiscal year nineteen hundred and sixteen shall be prepared and submitted in accordance therewith.

Hereafter employees of the Department of Agriculture assigned to permanent duty in Alaska, Hawaii, Porto Rico, and Guam may, in the discretion of the Secretary of Agriculture, without additional expense to the Government, be granted leave of absence not to exceed thirty days in any one year, which leave may, in exceptional and meritorious cases where an employee is ill, be extended, in the discretion of the Secretary of Agriculture, not to exceed thirty days additional in any one year.

The Secretary of Agriculture may hereafter exchange general scientific apparatus and laboratory equipment purchased from any appropriation of the Department of Agriculture.

To enable the Secretary of Agriculture to make studies of cooperation among farmers in the United States in matters of rural credits and of other forms of cooperation in rural communities; to diffuse among the people of the United States useful information growing out of these studies, in order to provide a basis for broader utilization of results secured by the research, experimental and demonstration work of the Department of Agriculture, agricultural colleges and State experiment stations; and to employ such persons and means in the city of Washington and elsewhere as the Secretary may consider necessary, \$40,000.

For investigating the grading, weighing, and handling of naval stores, and preparation of definite type samples thereof, \$5,000.

To enable the Secretary of Agriculture to print and publish certain maps, heretofore prepared and now in the possession of the Department of Agriculture, and the reports accompanying the same, relating to the location, extent, and other features of kelp beds on the Pacific coast, \$7,000.

That the lump-sum appropriations now available or herein made for the work of the Department of Agriculture shall be available for the purchase of motor vehicles and motor boats necessary in the conduct of the field work of the Department of Agriculture: *Provided*, That the amount to be expended under the provisions of this paragraph for such motor vehicles and motor boats shall not exceed the sum of \$10,000, and that said vehicles and boats shall be used only for official service: *Provided further*, That the Secretary of Agriculture shall, on the first day of each regular session of Congress, make a report to Congress showing the amount expended under the provisions of this paragraph for the purchase of such vehicles and boats during the preceding fiscal year.

Total carried by this Act for the Department of Agriculture, \$19,865,832.
